BRIGHT Opportunities for Whitesburg Kentucky
PINE MOUNTAIN PLANNING COLLABORATIVE

Background

The Bluegrass Program
This project is in support of the Bluegrass Program, a collaborative and comprehensive approach to addressing the needs of the region. The program aims to improve the quality of life for all residents through collaborations and partnerships.

The Study Corridor

The study corridor emphasizes a variety of development opportunities. It includes areas for economic development, community engagement, and environmental protection.

The Tender

The tender document focuses on the economic development aspect of the project. It outlines strategies for improving the economic conditions in the study corridor.

Local Economy

The local economy is a crucial aspect of the project. It focuses on strategies to improve economic conditions in the study corridor.

Community Engagement

Community engagement is an essential component of the project. It involves stakeholders from various backgrounds to ensure that the project aligns with the community's needs.

Brownfields

Brownfields are a significant challenge in the study corridor. The project aims to address these issues through targeted strategies and partnerships.

For further information, please visit the website of the Bluegrass Program.

Appalshop

Appalshop is a leading organization in the field of regional planning and development.

For more information, please visit the website of Appalshop.

Acknowledgements

The project is a collaborative effort involving various stakeholders. Special thanks to all those who contributed to the success of this project.
